## Testimonial 1

Samantha gets 500 thumbs up from Debt Relief Legally and I seriously feel like giving her a hug!!!! I love the email I just received below. The call with Ryan Speakman was in fact today at 12 noon so I wasn't completely losing my mind. But as you can see below, they have another call tomorrow to get the banking info from him. She got him to do the ACH drafts!!!! OMG I love World Law Debt!!!!

## Testimonial 2

Can you please tell Samantha and your staff that we are extremely pleased with their work so far. I am seriously so happy I could cry. Ha! I didn't get any phone calls or emails about someone telling my client something they didn't like (like "we will not work on your file at all for at least 6-12 months" and that has happened). I am so very happy I took the steps I needed to when I saw more trouble ahead and just switched to working with you guys direct
