President / Founder

First Rate Mortgage
 Financial Services industry
 June 2004 – 2009 (5 years)

First Rate Mortgage was founded in 2004 from a spare bedroom in my home. As the mortgage industry took off, so did Capaz LLC doing business as First Rate Mortgage. In 2005 First Rate Mortgage became a Correspondent Lender licensed by the Florida Department of Financial Services and took on it's first of two office spaces in the Westshore business district of Tampa Florida. In 2006 it was time to expand again and a third office was opened on the 30th floor of the Bank of America building overlooking beautiful Tampa Bay.

M.S., Accounting
 2009 – 2011 (expected)

Currently pursuing a Master of Science in Accounting, in order to expand my knowledge of business and become a CPA. I do not intend to practice public or private accounting, however, my experience and formal education in this field has given me the edge necessary to run a profitable business, in good markets and bad, while accumulating and preserving assets during the "Great Recession".

B.S., Accounting
