The Westshore area is the principal business district of Tampa, allowing our West Shore Center to boast a most sought-after business address. The Center is located in one of a chain of three Corporate Centers in this prime area. Our building features a beautiful fountain, and accommodates a Bank, ATM, Café and Full Sized Fitness Center. Our clients, along with their clients enjoy 4 levels of covered parking as well as 24 Hour monitored security. We offer our clients a professional, corporate environment in which to operate their businesses.

Our Business lounge is equipped with full Internet access and a 42inch Plasma TV. The Center proudly hosts three fully furnished Conference Rooms, a Day Office and a highly versatile Training Room, which can comfortably seat up to 25 people. All of our Conference Rooms are equipped with Video Conferencing capabilities, high-speed Internet, white boards for our clients' use and LCD projectors upon request. We have a very capable staff, each with the knowledge to provide professional and sufficient technical support, in the event it is needed.

Our Center is within walking distance of two of Tampa's busiest malls—International Plaza and The West Shore Plaza mall. International Plaza mall has many high-end stores and its Bay Street area is lined with many bars and restaurants such as The Cheese Cake Factory and Capital Grill.

West Shore is also home to two acclaimed sports arenas; The Raymond James Stadium, home to the Tampa Bay Buccaneers and Legends Field, the Spring Training home of the New York Yankees. Acting as a thoroughfare, we are boxed in by the Tampa International Airport and the Macdill AirForce Base.
