About Us

Golden Financial Services is a nationwide organization specializing in educating and helping consumers with their financial situations. We are dedicated to helping people nationwide improve their financial futures through educational outreach, credit counseling and debt management solutions. Since 1993, we have helped more than 1.5 million consumers manage their finances.

We refer people looking for loans, bankruptcy, mortgages and debt management plans to only licensed authorized agencies. We include free counseling and consultations for all of our clients. We maintain 0 unanswered complaints by referring clients to the proper agencies that are in compliance with the constant changing of the laws. We use lawyers, top customer service departments throughout the United States depending on the state and other very well known real estate and mortgage companies depending on the client's circumstances.

Our agencies credentials include:

Currently listed with Forbes Magazine for 2009 as the leading provider.

Currently listed with D&B.

Listed with Entrepreneur 2005 as one of the fastest growing companies in America!

Golden Financial Services is partnered with over 200 attorneys regulated by the STATE BAR in 48 states.

We are the one stop shop for all your financial needs.
