October 28, 2011:  
**MMI's new eBook addresses growing debt problem**  
 As Americans are consumed by record amounts of debt, Money Management International (MMI), the nation's largest nonprofit credit counseling agency, announces the release of a free eBook to help consumers understand the far-reaching impact of debt. [More](#)

October 06, 2011:  
**Managing debt can improve your finances -- and your life**  
 Debt is a burden that millions of Americans carry on a daily basis. In fact, the average family spends 20 percent of their household income paying down debt. But the scary fact about debt is that it doesn't just impact your finances. [More](#)

September 20, 2011:  
**As small businesses see modest job growth, MMI offers free eBook**  
 Despite a struggling economy and lackluster job market, new data shows that private-sector employment made modest gains in August, adding 91,000 jobs in the month. [More](#)

August 18, 2011:  
**Money Management International offers tips to maximize tax free holiday**  
 The back-to-school shopping season accounts for 16 percent of annual retail sales, according to the International Council of Shopping Centers. The tax-free holiday is a great time to get all your kids back-to-school needs and save a bundle. [More](#)

August 11, 2011:  
**MMI offers budgeting advice for college-bound students, parents**  
 With the cost of college tuition skyrocketing and the average college graduate's student loan debt tipping the scales at more than \$20,000, there are some crucial financial lessons students should learn before they step foot on campus. [More](#)

July 25, 2011:  
**Deadline for Emergency Homeowners' Loan Program extended to Wednesday**  
 The deadline for homeowners to qualify for the Emergency Homeowners' Loan Program (EHLPL) has been extended by three days. The U.S. Department of Housing and Urban Development (HUD) has extended the deadline to file a pre-applicant screening worksheet through Wednesday, July 27, in order to give homeowners at risk of foreclosure in the participating states more time to apply for the program. [More](#)

July 14, 2011:  
**MMI offers homeowners help in facing foreclosure crisis**  
 As homeowners continue struggling with foreclosures and mortgage defaults, Money Management International (MMI), the nation's largest nonprofit, full-service credit counseling agency, is reminding consumers of the many tools and financial education resources available to help fight back against foreclosure and keep their piece of the American Dream. [More](#)

July 07, 2011:  
**Survey shows owning a home still the 'American Dream'**  
 Despite a recession and housing crisis that has maintained a firm grip on the U.S. real estate market, the majority of Americans still view homeownership as the "American Dream," according to a recent survey by Money Management International (MMI). [More](#)

June 29, 2011:  
**MMI selected to qualify homeowners for the EHLPL**  
 Money Management International (MMI), the nation's largest nonprofit, full-service credit counseling agency, has been approved to assist struggling homeowners in applying for the Emergency Homeowners' Loan Program (EHLPL). [More](#)

June 21, 2011:  
**MMI introduces toll-free credit counseling referral line**  
 As a result of the CARD Act, financial institutions must provide a toll-free telephone number that provides information about credit counseling agencies on each billing statement. In response to this requirement, Money Management International (MMI) has created the National Credit Counseling Services Referral Line. [More](#)

June 10, 2011:  
**MMI offers webinars for National Homeownership Month**  
 In honor of National Homeownership Month, Money Management International, the nation's largest full-service, credit counseling agency is offering a series of free public financial Webinars, including "Secrets to home inspection," which offers 10 tips for homebuyers straight from a home inspector. [More](#)

May 16, 2011:  
**MMI releases free eBook in time for National Small Business Week**  
 Money Management International (MMI), the nation's largest nonprofit credit counseling agency, announces the release of its latest eBook, The Entrepreneur's Guide to Personal Finances, which is designed to help small business owners better manage personal finances. [More](#)
