## Alabama Tax Attorney

A Birmingham, Alabama tax attorney at our law firm can help you eliminate IRS debt and stop IRS collections, wage garnishment and levy. We have offices in Birmingham, Alabama and Atlanta, Georgia that helps clients across the United States become free of tax debt. The firm also has many international clients. The firm was created by former IRS Chief Counsel Attorney Cal Bomar.

The goal was to create a tax relief company that deals with clients honestly, and seeks cost effective solutions. We assist clients with offer in compromise, penalty abatement, innocent spouse relief, injured spouse relief, audit representation, installment agreement and return preparation. Our attorneys also specialize in tax litigation in the United States Tax Court or other courts.

Unlike many companies that are not run and staffed by attorneys, we provide more options, more stability and more accountability to the client. In addition, our attorneys believe in providing a results oriented approach to the client.
