## About

Accept no imitations. Hire the best there is. Hire the Firm with intellectual capital and experience beyond any group of so-called Super Lawyers. "The Doberman." Mitchell J. Stein, Esq. is a 25-year award-winning litigator licensed by the State of California with no record of discipline action by the State Bar at any time ([click here](#)). As trial lawyer, financier, and entrepreneur, he has represented many of the world's largest companies in State and Federal Court, and has been involved in some of the highest

profile cases in the Nation's history. At Spire Law Group, LLP, you will find a level of lawyering that is among the best in the profession. We are one of the few to guarantee your satisfaction (contact the Firm for complete details).

Contrary to representations made by the State Bar, "inactive" status is not discipline. It has nothing to do with discipline. People can voluntarily place themselves on inactive status, and an attorney who is ill may be found to be in inactive status. For avoidance of doubt, this law Firm has never been sued by the State of California or the California State Bar or any Court or Bar Agency. This Firm has never been disciplined, nor have any of its members. At the request of the Firm's associates and clients, the Firm discloses that Mr. Mitchell J. Stein has not been "disbarred" despite disinformation given the press by adversaries referenced in this Website. For more information about Mr. Stein's personal 20-year fight against corporate and governmental corruption (in which he has never yet failed) — including the Firm's representation of national charities in suing members of the current Administration called "the Obama Administration" — please contact the Firm directly as the Firm is obligated to maintain certain confidences and privileges arising out of applicable law.

Our company is based on the belief that our customers' needs are of the utmost importance. Our entire team is committed to meeting those needs. As a result, a high percentage of our business is from repeat customers and referrals. When you call for a free consultation, there is no time-limitation regarding how long we will talk to you.

The Firm and its associates have a reach that is nationwide, and we look forward to assisting to your needs in any and all matters within (a) the Firm's areas of expertise and (b) the confines of the law.

Please review the disclaimer, warnings and cautionary disclosures throughout this Website. Imperatively, always do your own research prior to contacting the Firm. Further, the Firm recommends that you consult with separate counsel prior to contacting the Firm regarding any Corruption or Civil Rights charges you wish to levy against any third party.
