PRESS RELEASE
May 2, 2012, 9:07 a.m. EDT

Enter to win $100,000 to pay off your Debt

PR Newswire
United Business Media

DALLAS and FORT WORTH, Texas, May 2, 2012 /PRNewswire via COMTEX/ -- Last year, over 1.5 million people filed for bankruptcy and this year may be even worse. In the past, consumers could use their credit cards to help keep them afloat when they were hurting financially. The problem now is consumer credit has shrunk and bankruptcy filings are surging back. If that's not enough, consumers now owe more on their student loans than their credit cards. Student loans are expected to exceed the $1 trillion mark this year for the first time ever. Consumers can no longer count on their home equity to bail them out due to property values falling and many consumers do not qualify to refinance. Bankruptcy seems like the only option that can help consumers gain a fresh start but this is a serious decision that will have a long-term impact on your personal finances and credit. It is important to know about other options for getting out of debt including Debt Management (also known as Consumer Credit Counseling) and Debt Settlement. Debt Relief Options of Frisco, Texas is a company that helps consumers reduce their unsecured debt and they are running a sweepstakes for a chance to win $100,000 to pay off someone's debt, in order to get a fresh financial start!

"People are struggling just to keep up with their minimum payments and many have given up hope of ever getting out of debt," according to Paul Bennett, General Manager of Debt Relief Options. "This contest is our attempt to get the attention of people who are overwhelmed with their debt but have not taken steps to get help." Debt Relief Option's "$100,000 Fresh Start Sweepstakes" is designed to help those who are carrying a heavy debt load. There are few requirements to qualify but there is no purchase to enter. The contest will run through June 10th 2012, and the winner will be announced June 20th 2012. See the terms and conditions on the contest web page at http://DebtReliefOptions.com .

Debt Relief Options is a wholly owned subsidiary of EFA Processing in Frisco and has been helping consumers reduce their debt since 2007. DRO provides a variety of Debt Reduction Programs including Debt Management, Debt Settlement and Bankruptcy. Steve Carman(972) 464 - 4598
