## FINANCIAL DOMINATION

PAY ME PIGGY!

Welcome to My world loser! Do you think you have what it takes to be My human ATM?

I am an evil, greedy financial domme who will take everything you own and leave you begging to give me more. I know you can't get that leerie thing off without paying. The more you pay, the more humiliating it is for money slaves like you, which leads to addiction and adoration to the cruellest financial dom on the web.

If you are looking for true financial domination, I'm more than you could imagine. You're going to treat me like the Princess I am, handing over your paycheck and reading out your credit cards to give me what I want. While most losers just want to hand it over because they know there is no other way to get MY attention, some of you crave and actually need a hot, young financial domme to control every aspect of your finances.
