

Homeowners Facing Foreclosure Protected from Creditors and Liens by Land Trustee Company

Deerfield Beach, Fla. (PRNewswire) - Homeowners facing foreclosure are protected from creditors and liens by Land Trustee Company, a leading national real estate company. The company has developed a unique program that allows homeowners to transfer their property to a trust, protecting them from creditors and liens while they work to resolve their financial situation.

The program is designed to help homeowners who are struggling with mortgage payments and are at risk of foreclosure. By transferring their property to a trust, homeowners can protect their assets from creditors and liens, giving them more time to work with their lender to resolve the situation.

Land Trustee Company is a leading national real estate company with a proven track record of helping homeowners in financial distress. The company's unique program has helped thousands of homeowners protect their assets and avoid foreclosure.
