Directory

In addition to searching for World Law Group member firms by firm name, jurisdiction and by the city in which the firm's main office (for World Law Group purposes) is located, you can select "Show all member firms' offices" to see a complete list of major commercial centres around the world in which one or more WLG members have offices.

The attorneys listed for each firm or individual office (where provided) are the primary World Law Group contacts and will route inquiries to the appropriate lawyers or staff within their firm. Open the member firm "Fact Sheet" pdf to see a brief profile of that firm.
