This comprehensive training program shall include strategies for mandatory attendance, the frequency of training, procedures and timing for updating training programs and materials, and the method for delivering training.

ARTICLE XV

VIOLATIONS OF LAW

(1) The Board shall immediately take all necessary steps to ensure that Bank management corrects each violation of law, rule or regulation cited in the ROE and in any

subsequent ROE. The quarterly progress reports required by Article I of this Order shall include the date and manner in which each correction has been effected during that reporting period.

(2) Within sixty (60) days, the Board shall adopt, implement, and thereafter ensure Bank adherence to specific procedures to prevent future violations as cited in the ROE and shall adopt, implement, and ensure Bank adherence to general procedures addressing compliance management which incorporate internal control systems and education of employees regarding laws, rules, and regulations applicable to their areas of responsibility.

(4) Upon adoption, a copy of these procedures shall be promptly forwarded to the Director.

ARTICLE XVI

CLOSING

(1) Although the Board is by this Order required to submit certain proposed actions and programs for the review or prior written determination of no supervisory objection of the Director, the Board has the ultimate responsibility for proper and sound management of the Bank.

(2) It is expressly and clearly understood that if, at any time, the Comptroller deems it appropriate in fulfilling the responsibilities placed upon it by the several laws of the United

States of America to undertake any action affecting the Bank, nothing in this Order shall in any way inhibit, estop, bar or otherwise prevent the Comptroller from so doing.

(3) Any time limitations imposed by this Order shall begin to run from the effective date of this Order. If the Bank requires suspension or waiver of any provision or an extension of any timeframe within this Consent Order, the Board shall submit a written request to the Director asking for relief. Any written requests submitted pursuant to this Article shall include a statement setting forth in detail, with relevant supporting documentation, the special facts and circumstances that support a suspension or waiver of any provision or an extension of a timeframe within this Consent Order.

(4) The provisions of this Order are effective upon issuance of this Order by the Comptroller, through his authorized representative whose hand appears below, and shall remain effective and enforceable, except to the extent that, and until such time as, any provisions of this Order shall have been amended, suspended, waived, or terminated in writing by the Comptroller.

(5) The Board shall ensure that the Bank has sufficient processes, personnel, and control systems to effectively implement and adhere to all provisions of this Order, and that Bank personnel have sufficient training and authority to execute their duties and responsibilities under this Order.

(6) In each instance in this Order in which the Board is required to ensure adherence to, and undertake to perform certain obligations of the Bank, it is intended to mean that the Board shall:

- (a) authorize and adopt such actions on behalf of the Bank as may be necessary for the Bank to perform its obligations and undertakings under the terms of this Order;

- (b) require the timely reporting by Bank management of such actions directed by the Board to be taken under the terms of this Order;
- (c) follow-up on any non-compliance with such actions in a timely and appropriate manner; and
- (d) require corrective action be taken in a timely manner of any non-compliance with such actions.

(7) This Order is intended to be, and shall be construed to be, a final order issued pursuant to 12 U.S.C. § 1818(b), and expressly does not form, and may not be construed to form, a contract binding on the Comptroller or the United States.

(8) The terms of this Order, including this paragraph, are not subject to amendment or modification by any extraneous expression, prior agreements or prior arrangements between the parties, whether oral or written.

(9) The Bank entered into a Consent Order dated July 30, 2010 (“2010 Order”). This Order replaces the 2010 Order in its entirety and, therefore, the 2010 Order is terminated. Provided however, no provision in this Consent Order shall bar or otherwise limit any enforcement action the OCC may choose to initiate, in its discretion, against the Bank or its IAPs for any failure to comply with the 2010 Order while it was effective.

IT IS SO ORDERED, this 27th day of July, 2012.
