They were so good to me. I spent the day with them yesterday. I was dropped off in the afternoon and they arranged a car loan, insurance and sold me a car. I left there driving my new car home! They were so helpful and considerate. They really went out of their way to help me during a very difficult time when I really needed it. My kids are thrilled with our new car and so am I. I feel safe driving them around now.

Thank you so much! This was a great experience.

Dear John and Jill

Just a wee thank you to let you know how much I appreciate all your help and kindness you gave me when I came in for the loan.

It was an embarrassing situation for me, you made me feel at ease with your kindness and respect and understanding. The "Pay Day" loans I had are now paid off and I can once again sleep a night and look forward to controlling my finances due to you giving me the opportunity to do so.

*You're "Good people!"
(That includes 'Teddy')*

You've helped more than I can say!

**Sincerely

Hello Deborah,

I would like to thank you and all involved in the purchase and financing of my new car. You have been very patient and sympathetic to my current and past situation and for that I thank you very much. I know my deal was harder than most but between you, Susan and Basil you have made the impossible possible.

You and Prudent Financial put the personal human touch back into financing and taken so much stress away from me. I am able to concentrate on my work and home life again without worrying about transportation.

I hear your ads on the radio all the time and it puts a smile on my face. Deborah you have been most helpful, I know you were extremely busy but you still managed to find time to help me choose a car and return my calls. You are a very kind and patient person.

Again thank you so much by changing a "financial nightmare of sleepless nights back into the land of happy dreams."

This is C. W. mailing to thank you again for your help and support in obtaining the '06 Toy Corolla (manual) on Oct. 7th.

I have been driving it for a month now, getting used to the manual transmission again and have to remark on the amazingly clean, almost new condition it is in. Your detailer is awesome. Please thank Jill and Garry on my behalf for their help and support also in trying to obtain a suitable vehicle for me. Both my mom and daughter love it and I am truly thankful I don't have to bus it anymore. Thanks again and take care.

I am Insurance Agent and emigrated from South Africa in 1989 with three pre-teen children and my wife. In 1992 my family and I were involved in a major car accident, this set me back financially and physically for one year, the exchange rate having diminished my South African Capital quite substantially. I very quickly used up all my capital resources and credit card limits. I was financially in a very bad way.

Thank God for Prudent Financial; they were my only salvation in this very bad period. They helped me with Loans and support; this was how I re-established my Credit worthiness.

I am now completely free of any bad Credit ratings; I own my house, have RRSP's and other investments and have many debt free credit cards.

I would never have been able to be in the strong and stable financial position that I am in now without the valued assistance of Prudent Financial.

I would just like to take this opportunity to thank you and Colleen for all your help with the purchase the Ford Escort.

It is extremely nice dealing with a company and people that do what they say they will. Gary you did everything that you said you would, plus more, and that is very refreshing to see.

Colleen was very professional and a great help answering all my questions and treating me with respect.

It is nice to know that there is a company like Prudent out there who can help people like myself who have made some bad financial choices in the past and want to correct their credit rating without having to pay sky high interest rates.

I would not hesitate to recommend your company to anyone who asks.

**Best regards,
W.G.**

Thank you so much for helping with Bailey (our dog) - he's getting better every day! (after surgery)

and Bailey of course.**

As a long-time customer of Prudent, I wanted to send along a message of thanks for the wonderful service I received last week in obtaining my new car.

The Grand Prix I am now driving is so right for me, and I am so happy with the purchase and steps we accomplished along the way.

Special thanks go out to John Di Falco for transferring the new plates and getting a very competitive price through the insurance broker for me. Such a pleasure to have someone so efficient at their job.

To Anna for taking me through the beautiful showroom and crunching the numbers.

To Irena, just because she is always on the ball.

And to you Gary, for approving the whole deal and making things work.

Much thanks to all.

I would not hesitate to tell friends and co-workers about your services.
