## Legal Consortium Seeks Bankruptcy Attorneys (Kokomo and nearby cities)

Revolution Attorney Network, LLC, is a full service law related consortium that is preparing to change the connotation of an "Attorney Network". Attorney Networks in the past have been ways for the little guys to compete with the big guys, arguably dance in the gray, and puff out their chests about their size and coverage. We're changing that on its face. We're preparing to provide law related services to the masses in ways you can't even begin to fathom. In short order, the little guys are going to be the big guys. We've teamed up with some of the most respected and innovative legal minds in the Country and are preparing for an unprecedented launch. Will you have a Seat when the Revolution Begins?

Although we're still building out our full suite of services, we are currently seeking Bankruptcy Attorneys for a long term (no cost) relationship. We possess Consumer Bankruptcy Candidates that need immediate local representation. We provide these consumers to you FOR FREE in perpetuity. (No LEADS, No COST, No MARKETING FEES, No CATCH, No UPSSELL, No EXCEPTIONS)

Why pay for over processed, aged leads when you can get clients for free? They say if it sounds too good to be true.....We say "Test Us". Visit <http://www.revolutionattorneynetwork.com> to submit your information. Please allow time for us to complete a professional background check before receiving a reply.
