Management

What do you need most from your Law firms management team?

The Thomassen Law Group management team has a long track record of operational excellence and a proven ability to litigate and mediate the most difficult financial matters for our clients, both individuals and business. The team of qualified and experienced attorneys help guide hundreds of people daily to reach their core goals of achieving financial success within their personal and professional long and short-term goals.

Marilyn Thomassen *Founding Partner*

Marilyn Thomassen began her International Law career 20 years ago in Salzburg, Austria. She has experience in a variety of areas of Civil Law, including; Chapter 7, Chapter 13, Personal Injury, Construction, Business, Insurance, and Municipal Law. Ms. Thomassen's strength is in financial negotiations and complex cases of liability with substantial injury. She has handled a wide range of cases involving large corporations, insurance companies and municipalities.

Marilyn Thomassen's studies in financial law at Notre Dame have provided her with the necessary skills to guide clients experiencing hardship during this difficult economic climate. Ms. Thomassen's deep involvement with every facet of her firm ensures clients a timely, effective, professional, experience with her staff. Ms. Thomassen prides herself in her unwavering commitment to clients and to the success of their cases.
