About The Firm

Defense Lawyers, P.A. offers motivated, experienced legal counsel and representation in a variety of practice areas. Our approach has resulted in stable, long-term relationships with our clients, which are based on the firm's prompt, efficient and high quality service to reach shared objectives. To employ the wisdom and skill of our practiced attorneys for your legal needs, [contact us](#) today!

Mission Statement

Defense Lawyers, P.A. is committed to providing the absolute highest quality of legal advice and advocacy. We recognize that our success must be earned every day to maintain the firm and long standing relationships that we enjoy with our clients. To achieve this end, our firm is committed to the following principles:

- Experience & Knowledge
- Drive & Dedication
- Courteous Service
- Focus on the client's specific needs
- Acquiring the results that our clients want

Our Attorneys Bring Passion and Dedication to Each Case

Our lawyers bring unique specialties and the capacity to excel to every client we represent and to every case we take. At Defense Lawyers, P.A., we have a reputation among our clients and our peers for committed service and highly effective litigation. Because of our success in the courtroom, we receive a lot of referrals from former clients, as well as other legal firms. We enjoy our work and are truly proud when we help our clients our clients achieve the results they desire.

Our firm not only has an "A rating" with the [Better Business Bureau](#), but it is also an "Accredited Business" with the Better Business Bureau.

DISCLOSURES: If you have already retained a lawyer, please disregard this communication. The hiring of a lawyer is an important decision that should not be based solely upon advertisements. Before you choose a law firm, take the time to research them with their state's Bar Association. You should also ask for written information about their experience and qualifications. Past results are not indicative of future performance. The images throughout this website are not the attorneys that work for Defense Lawyers, P.A. Rather, they are hired models.

* I understand that the Defense Lawyers, P.A. has not yet agreed to represent me, and that the purpose of submitting any form on the Defense Lawyers, P.A. website is for the attorneys at Defense Lawyers, P.A. to consider whether or not to represent me. I understand that there are legal deadlines for filing and answering claims. I understand that Defense Lawyers, P.A. does not agree to advise of those deadlines based on the information submitted on any form on the Defense Lawyers, P.A. website. I further understand that Defense Lawyers, P.A. is not obligated to do anything on my behalf at this time and that a form submission does not constitute a contract.
