I just had a call from this number and I let my answering machine pick it up. And it said they have informati all the bull they have spread about what you may be able to do.( And you would have to OWE \$ 5000.00 anything about my credit card they would know what I may owe.  
 Well they aren't getting any results from me. I don't talk to people about my credit on the phone I think they are scammers trying to get a fool to give out their credit card number.  
 It showed Service Message in my caller ID

Yes this is a scam! I get these stupid calls all the time and they seem to just rotate their numbers. What of my number to harass others?! One number that pops up..I actually called the car dealership out of New getting calls from others like me. He was aware that their fax number had gotten "hijacked" and was trying to This practice is hurting legit businesses as well.

This number calls many times each day now for past five days. CALLER ID saysSERVICE MESSAGE - message - just a hangup. Weare on both federal and state DO NOT CALL lists for both landlines and cell p So much no good for FCC to handle crank, junk or bothersome telephone calls.  
*Caller: SERVICE MESSAGE*
