National Settlement Services Tampa FL Offers Free Debt Relief Evaluation

TAMPA, FL--(Marketwired - Jul 23, 2013) - With a struggling economy and unemployment rates considerably high, increasing credit card debt remains one of the greatest financial challenges for many households across the country. However, credit card settlement services can help reduce total debt amount and offer strategic low monthly payment options to eliminating credit card debt. The National Settlement Services (NSS) is a national debt settlement company, based in Tampa, Florida. NSS specializes in debt settlement and management. Unlike many debt settlement companies, NSS is committed to working with clients and sustains a company policy to always have the best interests of clients a high priority. NSS works closely with clients in developing personalized plans to reduce debt.

Over the course of the last five years, we have seen a surge of debt settlement companies arise in the market. National Settlement Services of Tampa, FL offers a 'no result, no fee' promise, where if they are unsuccessful in helping clients with their debts, they have a no fee guarantee and have no start-up fee. In fact, NSS does not charge any fee until debt relief results are acquired and are the only debt settlement company in the nation to provide a risk free debt relief guarantee. Furthermore, NSS provides a free debt relief reviews evaluation to help develop a debt relief program that is catered specific to client needs.

NSS is also a member of the American Fair Credit Council (AFCC/TASC) and adheres and comply with all federal and state laws regulating credit advocacy, with specialty in Florida state laws, and current Federal Trade Commission regulations for debt relief providers. Additionally NSS is committed to ensuring that they are honest with clients about their financial responsibilities and planning and are committed to ensuring that fees charged for services are fair and reasonable, and take into consideration the current fickle economy and their clients' financial abilities. Do not wait to start reducing your credit card debt; you can request your free evaluation immediately at <http://nssf.com/afcc/>.
