WHEN EVERY PENNY COUNTS
EXPERIENCE MATTERS

"Without your help, I would have sunk deeper and deeper in debt. Doing it on my own was stressful and wasn't resolving anything, now having my life back feels so good!

Thank you for all your help!"

- Dawn S. Pipestone, MN

CLIENT BENEFITS

- Assigned a Team of Attorneys & a Dedicated Legal Assistant to provide personalized world-class service to help ensure successful completion of the program
- Optimal settlements through our experienced negotiations team
- Protection from the harassment of debt collectors - All creditors receive a Notice of Representation within 30 days of the clients enrollment, regardless of credit account status (current or past due)
- Assistance with lawsuits and judgments that occur while in our program
- Access to Bundled Legal Services in the first 30 days of the program that are designed to educate and help become financially fit upon completion of our program
- Personalized Online Debt Settlement Account with 24/7 access to account information, educational information and videos, monthly updates, online banking and more!
- FDIC Insured Dedicated Account- allowing client to save, disburse and track funds available for the debt relief purposes

We aim to keep our clients motivated and focused on achieving their financial goals
