Re: State of Florida v. Edward Cherry, et al.,

Dear Honorable Michael L. Gates:

Please find attached a courtesy copy of my written objections to Attorney Peter J. Snyder's Motion to Withdraw. I copy all parties on this filing so as to ensure no one could claim that I engaged in any ex parte communications.

Although the objection speaks for itself, I again ask that Attorney Snyder not be able to withdraw. Besides the fact that he is the only person earning any revenue from this quiet title debacle, we all relied upon his legal advice. It only seems fair that he should remain in this action.

Respectfully,

Edward Cherry
