Mission

Martin University's Mission is to provide excellence in educating and developing traditional and non-traditional students in an inclusive, supportive and healthy collegiate environment.

Core Values

In order to establish and maintain a University Culture that will produce educated, responsible, and accountable student graduates, the University will incorporate the following values in all actions, programs and endeavors:

- Professionalism
(In all personal interactions, products produced, and University activities)
- Communication
(Clear, appropriate, thoughtful and intelligent)
- Support and Respect for All
(People, Relationships, Citizenship, Families and Social Justice).

Vision

Martin University's Vision is to be a Haven of Hope, a Community of Support, and a Premier Leader among Institutions of Higher Education.
