General Information

Right in the heart of the San Francisco Financial District, One Sansome, also known as the CitiGroup Building, offers office space, virtual offices, meeting rooms, and so much more. If you're looking for a spacious office location and a prestigious business address in San Francisco, California, Premier Business Centers has the solution. And be sure to take a look at our other [locations near the San Francisco area](#).

The One Sansome location is the only building in San Francisco to have achieved the highest level of certification in environmental sustainability from the US Green Building Council: the LEED Platinum v4 certification. It is the second commercial building in its class worldwide. This exemplary building earned all the points available for the transportation, energy, and indoor water performance categories.

One Sansome is located near freeway 80, right off of Market Street, about 14 miles, or 20 minutes from the San Francisco Airport. The Oakland Airport is 20 miles away, or a 30 minute drive. There is parking available about a block away from the building, or, for those who prefer it, public transportation in the area is available, including several bus stops around the building area, and the Montgomery St. Bay Area Rapid Transit (BART) Station, which is less than half a mile from the building.

A CitiBank is located in the lobby of the building, as well as a cafe. Inside the building is also a gym, and outside of the building there is a lovely seating area. The Westfield Shopping Centre is just 7 minutes from the CitiGroup Building. Several other noteworthy buildings in the area include the Bank of America Building, the Transamerica Building, and the Ferry Building.

In addition to both short term and long term office space, Premier Business Centers also offers hourly and day offices to accommodate any business need. Our full time offices include top of the line furnishings, along with high-speed internet, personalized telephone answering service with voice mail, and mail handling and distribution.

For companies in or around San Francisco that don't need full time office space, but still want to maintain a professional image, the CitiGroup Building also offers [virtual office](#) plans, which provide a professional business address, mail handling, personalized phone answering, and access to a conference room.

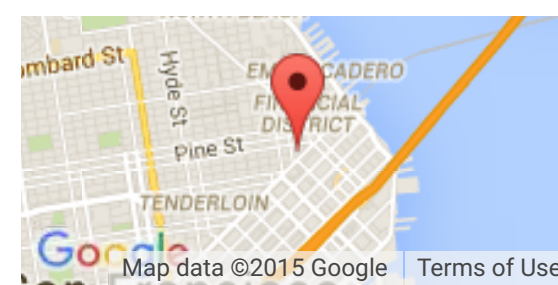

The CitiGroup Building in San Francisco offers executive suites and [meeting rooms](#), and we can also provide our incredible team of skilled and positive professionals who are ready to take care of your secretarial, administrative, and information technology needs. You don't have to be a large corporation to enjoy working in a world class corporate environment.

Premier Business Centers is able to offer immediate occupancy, which means that if you sign a contract in the morning you can be sitting behind your new desk getting work done that same afternoon.

Premier Business Centers is the largest privately held provider of [office space](#), [executive suites](#) and [conference rooms](#) in the United States, and has grown from 9 locations to over 70 by providing office space solutions to companies of all sizes, all across the country.
