

Account Validation

Using a variety of consumer protection laws, we demand Collectors substantiate claims that your account is a valid, verifiable, legally owed obligation devoid any of the financial fraud which is now rampant in the lending industry.

Our Process

Our process is intended to assist you in stopping collection calls, harassment, and potential lawsuits on non-validated accounts by challenging your collectors to prove the alleged account is valid, verifiable, and legally collectible.

FDCPA & FCRA

Federal laws and statutes found in the Fair Debt Collection Practices Act, and other laws, are available to protect you from collectors, fraudulent collection practices, and violations of your rights.

A HUGE WEIGHT LIFTED

My rep was so great!!!! she helped me understand everything I needed to know and beyond. She was so kind and personable and such a blessing!!!! I couldn't have chosen a better person! she is so helpful and friendly!!! I can't express the amount of gratitude to my rep and the company she is working for as well. I have had a huge weight lifted off of my shoulders and can now focus on my daughter without all of the added stress!!! Once again, I am so very thankful for my rep. She has gone above and beyond and should definitely be recognized for her efforts! She is a rockstar!!!!
