I could not be happier with my experience so far at Regus in RSM! Nima Arzani (office manager), Katie, and Shirley are always pleasant, accommodating, and professional. The environment itself is simply beautiful after the remodel (I don't know what it looked like before, since I've been there for less than a year). I consistently get high compliments on the office space from my clients. I love having 24/7 access to the building, which gives me the flexibility of scheduling clients on Saturdays if necessary. To date, Regus and the team at the RSM office have far exceeded my expectations!

The staff people are helpful enough. But check your contract. No longer the small business mindset of Corporate Office Centers. Be sure to price around.

The three staff members are what makes this place great. Attentive, pleasant and always eager to help and accommodate. Facilities are nice and improving. Nice conference rooms. Great network of accessible offices while traveling.
