### About Us

The Consumer Justice Center P.A. ("CJC") is a consumer rights law firm dedicated to providing its clients with quality legal services in a timely manner consistent with high ethical standards. The CJC is dedicated to protecting the rights of all consumers and founded on the premise that each client deserves personalized attention.

For over the past ten years the new and repeat clients of the CJC have come to expect exceptional standards of truthfulness, reliability and success matched with skilled professionalism, innovation and tenacious style.

Our law firm offers attorneys and staff that are litigation savvy with over a decade of experience of achieving remarkable results against some of the largest companies in the financial industry represented by world's best law firms. Cutting edge trial techniques combined with precedent setting advocacy has become our trademark that leaves our clients satisfied and
