Representative/Coach

Compass Life Coaching

January 2010 — Present (1 year 1 month)

We know you have limited time. (We do too!) We've designed our monthly product, the Compass Monthly Action Plan (MAP™) to help you take small steps each day to improve your life. As a member of Compass, you get access to our library of MAPs so you can choose which area you'd like to focus on each month. You can make a big difference in just a few minutes a day – five days a week! If you're not sure which life area to focus on first, take our brief life assessment to discover where you might like to start!

The Compass Coaching Groups are coach-led conference calls that our Advanced and Master level clients join 2 or 3 times a month. In these groups, you will meet with other women like you who are working on a specific area of their life. Professionally trained Compass Coaches then use the right questions and exercises to guide you through a process to make real improvements in your life. They will help you uncover what might be holding you back and hold you accountable to move forward. Your group is a safe and supportive environment to give you new perspectives, ideas, and courage to identify your passion, strengths, and priorities. Owner

Crossroads Success Coaching

(Education Management industry)

January 2007 — Present (4 years 1 month)

Life is like a road. There are long and short roads, smooth and rocky roads; crooked and straight paths. Many roads will come our way as we journey down the road of life, roads that will lead to happiness and roads that will lead to sadness; roads that will lead to victory and roads that will lead to disappointment. Perhaps the most perplexing road that you will encounter is a crossroad, with four roads to choose from.

We all come to a point in our life where we find ourselves standing at an intersection of the next stage of our life and have been unsure or unclear of which way we should go. No matter what brought you to the point you're at today you have to make a decision, do I make a change or do I keep doing what I have always done. With each direction faces a different outcome, a new adventure, a new idea or an amazing reward.

Welcome to Crossroads Success Coaching a company designed to help you reach excellence. Darlene Poindexter has been coaching both businesses and individuals for the past fourteen years, helping them find their passion and motivation to make the right choices and to make a difference in their lives.
