## 7. Important Notices

The One-Pay program is a fantastic tool for people to use to help avoid financial problems and avoid bankruptcy. You need to be aware that:

- a creditor could make a comment on your credit report that you are on a payment program. Only a future creditor can determine how that might impact you.
- One-Pay is not currently available to Michigan residents.
- this program is not designed as a simple consolidation program. It is for people who are having serious financial troubles, are behind on bills or will soon fall behind on bills.
- you do not need to include all of your accounts on the One-Pay program. If you need a credit card for business or emergency use, please do not include it. All credit cards you include will be frozen and/or closed to further useage and charges.
