Lycos Yellow Pages is an online business directory that has the most complete and up-to-date local business listings. Search for local businesses by name or category and find business addresses, phone numbers, and driving directions, view customer reviews and watch a video from the business owners, all in one place.

Business listing information on Lycos Yellow Pages is provided by third-party data provider – YellowBook.com. If you find your own business information listed incorrectly, you can get in contact Yellow Book to report the issue by [clicking here](#).
