Who We Are

New Life has earned its reputation by taking an honest and informative approach to helping people find the best solution for handling their debt. An industry leader in debt settlement services, our negotiations department has settled over 50 million dollars in unsecured debt.

Our team of consumer debt consultants works individually with each client to help determine the program best suited for their particular situation and personal goals. New Life maintains and continues to develop relationships with creditors throughout the country. By establishing cooperative and professional relationships with each creditor we are able to reach the most favorable settlement offers for our clients. We work directly and 100% for you!

Our goal is to provide our clients with an affordable program to get back on their feet financially within 12 to 36 months and find a real solution for the strain and stress caused by debt. With honest and informative advice, outstanding customer service, and a proven debt settlement process we can provide a fast and ethical way for our clients to become financially free again.
