Welcome

Welcome to the Capital Protection Group. We are an attorney designed program to help you solve your debt problems.

#### 4 Step System

We have a 4 step system that works and works fast!

1. STOP CREDITOR CALLS
2. FIGHT THE CHARGES
3. ELIMINATE THE DEBT
4. CLEAN UP CREDIT

What are your choices?

Basically you have 3 choices to settle your unsecured debt. Please review this comparison table and then call for your 10-minute free consultation. 100% discreet and private.

Many of our clients go through all the steps in twelve months." But what strikes me is that they say on another part of their site that "Then after a 20-24 month extended period of time, we abruptly settle for significantly less than could be imagined and some debt at low as 10%!" – Source. So is it 12 months or 24 months? Many to me would imply a lot

The Capital Protection Group wants to give back your life that we think the credit card companies have stolen from you.
