Debt Settlement

The Christian Debt Consolidators Debt settlement program is a legal communication between debtor and the creditors/collection agencies in which outstanding debts are negotiated on the debtor's behalf to develop a settlement. Christian Debt Consolidators Debt Settlement program is not a credit counseling service or a consolidation loan, it is a process of eliminating your outstanding debts. Any person owing credit card debt, medical bill(s) or any unsecured debt has the legal right to negotiate their debts. Debt Settlement is highly effective and can save you between 50-75% in outstanding debt.

The Christian Debt Consolidators debt settlement program was developed to provide you immediate debt relief. Before you consider filing bankruptcy or signing a contract with another company, we encourage you to speak with one of our Certified Counselors. Christian Debt Consolidators' Certified Counselors have extensive knowledge in the debt settlement process and will guide you through and evaluate your debt with one simple phone call. Our Certified Counselors will then help you establish a monthly savings plan that is designed specifically to settle your existing debt with your creditors. Our highly trained Certified Counselors work for you and not the creditor(s), this allows us to develop a plan that works best for you.

Before making this important decision, please Contact one of our senior debt counselors to explain our debt settlement program. Our program will get you out of debt within a 15-36 month time period while eliminating 50-75% of your Debt.

Stop Harassing Phone Calls

Upon being accepted into the Christian Debt Consolidators' debt settlement program, your creditors will be immediately notified and we demand they stop calling you. It usually takes about 30-60 days, In the meantime, a creditor log must be kept for every phone call or letter that is received from a creditor. It must then be reported to us our customer care dept immediately.
