your needs and get you started on the road toward returning to a normal and debt free life again. If you do not qualify for debt settlement, they will certainly help you understand exactly what other options you may have at this time. DSA works for you to settle your debts while keeping you away from debt consolidation companies and the bankruptcy court. Your success also depends on a total commitment on your part, while you work with our experienced staff where we form a business partnership to settle your debt. Our Team has helped people just like you get out of debt. Let us help you!

Call our office toll free at 1-866-387-3328 24hrs / 7 days a week for a free consultation with one of our Debt Consultants. We will provide any information you will need for determining if this program is appropriate for you.

Go to our online registration form and have one of our consultants contact you.

You will need to prepare your creditor documentation (most recent statements) so that our Debt Consultant can assist you in a timely manner. You may be asked for details of creditors as necessary.

We help you through this process - step by step. Call and speak with a Debt Consultant and see how you can count on DSA to settle your debt and give you peace of mind!
