enabling the debtor to save money without the ramifications of having to file bankruptcy. This is practical when consumers have burdensome amounts of unsecured debt. Unsecured Debt is debt that is not attached to any collateral; this can include but not be limited to credit cards, department store cards, medical bills, personal loans and repossessions. All these types of unsecured debts can be reduced through the Debt Resolution process. My goal is to help people get out of debt!

**Christopher Ramsey's Specialties:**

Debt Management and Elimination, Sales, Marketing, Spiritual awareness
